

UNITED BROKERAGE, INC. values your right to privacy. We have created this privacy statement to demonstrate our commitment to keep personal information safe, secure and confidential. This privacy policy discloses our information-gathering and dissemination practices for websites on the GETAQUOTELIVE.COM domain. By accessing and using our websites, you consent to the collection and use of personal information by UNITED BROKERAGE, INC. as disclosed in this privacy policy.

UNITED BROKERAGE, INC. uses your IP address to help diagnose problems, and to administer our websites.

UNITED BROKERAGE, INC. uses cookies for your convenience and to provide a means to identify you throughout the duration of your online session. Sensitive and personal information is never stored in cookies. UNITED BROKERAGE, INC. does not initiate cookies on behalf of third parties.

UNITED BROKERAGE, INC. will use the personal information you provide for the sole purpose of fulfilling your request for products and services. In the course of fulfilling your request, it may be necessary to disclose the personal information you provide to third parties. We will disclose personal information to third parties only when necessary to fulfill your request, and in such cases, as permitted by law. UNITED BROKERAGE, INC. neither sells nor shares with third parties any personal information, including email addresses, gained through the fulfillment of requests for products and services.

UNITED BROKERAGE, INC. logs all activities performed on our websites and periodically examines the log files. This analysis helps detect fraudulent activity, identify system faults and failures, and characterize aggregate system performance. When used in the course of scientific or research purposes, all reasonable identifying information is removed.

UNITED BROKERAGE, INC. will never ask you for your password. If we require authenticated access to your account information for any purpose, we will refer you to a system specialist who will have access to your account information. Please guard your

password carefully and do not share or disclose your password to anyone, for any reason. Every user is responsible for his or her username and password and any misuse thereof.

UNITED BROKERAGE, INC. takes steps to protect your data from loss, misuse, alteration, destruction, or unauthorized access using sophisticated security technologies to secure users' ordering information, user name, and password. We encrypt users' ordering information, user name, and password (including users' credit card account number) using Secure Socket Layer ("SSL") technology. SSL is a proven coding system that lets your browser automatically encrypt, or scramble, data before you send it to us. To support this technology, users must have an SSL-capable browser. SSL is one of the safest encryption technologies available. While we use such sophisticated security technology to secure users' ordering information, user name, and password, we cannot guarantee that any electronic commerce is totally secure.

UNITED BROKERAGE, INC. welcomes your input. If you have any questions or comments about this privacy statement, the practices of our websites, or your dealings with our websites, please send correspondence to:
